ALVIN R. WYSE B.S. M.A.

Mr. Alvin R. Wyse attended high school in Wauson, Ohio, where he played football for two years, receiving two varsity letters. After graduating from high school, he entered Manchester College; where he was awarded three letters in football, and served as captain of his team during his senior year.

After securing his B.S. degree at Manchester College, Mr. Wyse earned his masters degree at Ohio State University. For the next fifteen years he taught in Ohio.

In 1952 Mr. Wyse came to Adrian. At this time he started teaching at Adrian Senior High, where he also coached basketball and baseball. The basketball team of 1952-53 had a very successful season, winning the District and Regional Tournaments under Mr. Wyse's supervision. During the 1954-55 season, Mr. Wyse's basketball team tied for the Twin Valley Championship and won the District Tournament.

At the beginning of the 1955-56 school year Mr. Wyse switched to cooperative training as his full time job. He is now the Director of Adult Education and of Summer School. Mr. Wyse is doing a wonderful job of teaching in the business department of our school.

As a person and teacher, we the members of the Sickle Staff, take great pleasure in dedicating our book of 1965 to Mr. Alvin R. Wyse for a job well done.

Student Council

First row: Ruesink, Wettren, Nelson, Woller, Klien, Duncan, Smith, Kidd, Barron, Joslin, Deiner, Peters, Mr. Henson — Advisor. Second row: Oakes, May, Fredricks, Butler, Nelson, Vogel, Schultz, Nino, Eddy, Freligh, Tuttle, Schultz. Third row: Kelly, Mattis, Cox, Williams, Baughey, Reynolds, Pellowe, Sidensticker, Heroy, Davis, Coble, Smith, Despain. Fourth row: Fike, Goolian, Miller, Wagner, Goddert, Robinette, Hansen, Lowery, Hoover, Bishop, Barclay, Burchfield

This year's Student Council has carried through many projects of student, school, and community concern. The council's activities boasted very efficient student and teacher support. This letter, from Mrs. James Dickinson, Executive Secretary of Associated Charities, very adequately sums up the school's efforts in their charity drives.

'The Associated Charities wishes to thank the students of Adrian Senior High School for the Christmas boxes sent to thirty Adrian families. Help such as this is most appreciated, and to remember those less fortunate at Christmastime shows an awareness of community problems on the part of the students.

To provide the twenty autographed footballs (from 12,000 amassed bottle caps) also was a wonderful gesture on the part of the students of Adrian High and took the cooperation of many.

We were most grateful also to have the students deliver these boxes of food and footballs to these needy people as it provided a complete picture of what such a project as this includes.

For the cooperation and help of all at Adrian, Senior High School, we are most grateful.'

This past year, the magazine sales went over the top of its \$10,000 goal. Incidentally, this is comparable to Lansing Everett's attainment of their \$10,000 goal, yet their student body population nearly doubles ours.

Plans for the occupational consultant program began with distribution of vocational questionnaires to those who were interested in learning more about their immediate future occupation with the aid of business and professional consultants from the community. As this program progresses, both college-bound students and those who will be entering their fields directly after graduation will be able to visit their advisor on the job and receive other practical information that will assist them in choosing their careers.

At the time of this writing, a tutorial room for the purpose of aiding pupils in their studies was under consideration. The room would be staffed by students proficient in various areas. Future Teachers are working with the student council in functioning this project.

The Council sponsored three fine exchange students: Regina Wettren and Karin Paulsen from Germany, and Ola Joslin from Sweden. Also falling under its realm were the Homecoming activities, the annual Valentine Ball and all other dances, the presentment of the Student Council \$250 scholarship, the selection of the Hall of Fame, senior privileges, recreation nights, the purchasing of choir robes, and the sponsorship of various assemblies.

Also, the Student Council initiated a monitor system, paid final payment on the lounge, sold book-covers, and acted as host to the other schools in our league during the South Central Conference S.C. meeting.

In other community activities, members of the Council organized interested students to answer the needs for blood at Bixby Hospital, took active interest in the Millage issue, and worked with the Recreation Department of Adrian, director John Giles, in instituting senior high school age recreation nights every Saturday.

Officers

Connie Kidd, Jim Woller, Betty Duncan, Jim Klien, Martha Smith, Patty Barron.

Valedictorian

BEVERLY FIKE

The valedictorian of this year's class has participated in a number of school activities. She has been a member of the Future Nurses' Club for three years, serving as treasurer in her senior year. As a continuation of this activity, she plans to attend the School of Nursing at the University of Michigan in the fall.

She has been an active member of the Girls' Athletic Association for three years. In the tenth and eleventh grades she served on committees for the pool show, and this year she was a member of the pool show cast.

For the past two years she has been a member of the Sickle staff, being chosen as the editor this year. Also this year she was a member of the Student Council and the Spanish Club.

Her scholastic interests center in math and science. Recently she received the honor of being placed in the Hall of Fame for mathematics.

Outside of school she has participated in church activities. She is a member of the Christ Episcopal Church, teaching Sunday school and taking part in the church's youth group.

After graduation she will attend "Operation Bentley" at Michigan State University as a representative of Adrian High. When she returns, she will bide her time until the fall session at the University of Michigan begins.

Salutatorian

MARTHA SMITH

This year's salutatorian has been especially active in musical and dramatic programs and was chosen for the Hall of Fame in Fine Arts. Planning to study as a music major, she played violin in the orchestra and won top honors at the District and State Contests with solos and ensembles. Outside of school she was a member of the Michigan Youth Symphony and attended the All-State session of the Interlochen Music Camp for three summers.

Initiated as a Thespian in the tenth grade, she had roles in four plays and two musicals, as well as working backstage. She was also a Student Council member throughout high school and was secretary her senior year.

Her other main interest area is in the field of English; she took the Honor Freshman English course in the twelfth grade. The church also plays an important role in her life: she is an active Methodist, singing in the choir and serving as Vice-President of the Methodist Youth Fellowship.

Junior Rotarians

TOM DESPAIN

Every year nine senior boys are selected by the faculty, on the basis of their scholastic records and citizenship, to represent Adrian High School as Junior Rotarians. They attend weekly meetings of the Adrian Rotary Club and there become better informed of community affairs and the business proceedings of the city.

At the end of the school year all the boys will return to take complete charge of one meeting for the entertainment of the members

RONALD GRAYBIEL

The object of Boys' and Girls' State is to give students across the state of Michigan a working knowledge of government, and allowing them to gain experience through actual participation in deciding budgets, passing legislation, and taking action if an emergency should arise in a community.

The major convention for nominating candidates was filled with speeches, debates, demonstrations, tons of confetti, noise, and chanting. Meetings were held in the mornings and afternoons with well known speakers as highlights of the day.

The representative to Girls' State, held at the University of Michigan, was Chris Clemes with Connie Beal serving as alternate. Garth Brokaw, Ron Graybiel, Doug Wyse, and Don Esterline were our representatives to Boys' State, held on the campus of Michigan State University.

Boys' and Girls' State are sponsored by the American Legion and American Legion Auxillary. The representatives attended in June between their junior and senior years.

Leaders' Club

The Leaders' Club consists of girls, who are members of G.A.A. The main purpose of this group of girls is to help Mrs. Davis and Mrs. Brittain in their gym and pool classes. In order to help these physical education teachers, the girls do a great variety of jobs. These jobs include taking roll, setting up equipment, refereeing games, and instructing in gym classes. In the pool classes they instruct or act as life guards. With the help of these girls the teachers can focus their attention entirely on teaching their students. The Members of the Leaders' Club are a definite asset to our school.

Front Row Smith, Clement, Patterson, Allen, Manger. Second Row Vaughn, Poucher, Shoemaker, Skinner, Kitson.

Magazine Top Ten Salesmen

This year the magazine sales went over the top of its \$10,000 goal. Chairman of the sales this year was Linda Sidenstecker who was helped by various members of the senior class. Mr. Lutz is to be again thanked for his help in running the show and for all his hard work. In the final count Mrs. May's homeroom came out on top for the most sales, with Mrs. Horvath with a close second. The sophomores were the winners with the most magazines sold, seniors turned in a second place and juniors were the trailing class.

Attendance Takers

The attendance takers are the people that were seen throughout the school year taking the little yellow slips from the various classroom doors.

These people were chosen by Mr. Osgood from his studyhall at the beginning of the school year. They helped him to tabulate the absentee list. Without them Mr. Osgood would have been faced with a lot more work.

Front Row - Glover, Byrd, Holloway, Threet, Dove, Kintner. Second Row - Tipton, Amok, Gonzalez, Anglin, Like, Ekman, Doan, Jarosemich, Sprow.

Student Librarians

Who says a librarian isn't a busy person? Not the twenty student librarians of Miss Kovanda and Mrs. Henry! Without the help of these people our high school library would not be a thing of quality. Lucy Gonzalez, Helen Tipton, Mary Lee Coz, Daniel Ekman, Connie Jarasemich, Claris Threet, Sharon Anglin, Diana Doan, Connie Byrd, Charlotte Hosler, Sharon Kintner, Harley Like, Barbara Baggett, Janet Holloway, Diane Sprow, Terry Tatara, Susan Amo, Marge Dove, and Linda Glover, have adopted the work in the library as a half credit per year. They also received grades for their work just as any other accredited subject. Duties performed by student librarians included shelving books, filing cards, charging books out, reserving books, finding cards, charging fines, and helping students locate books.

This year the Pep Club was under the advise-
ment of Miss Champney. At each home game the
club assembled in reserved seats to help the
cheerleaders support our football and basketball
teams. They also made posters to announce on-
coming games and banners to be hung in the
gym. One was even made of cloth and hung on
the outside of the building. The Pep Club also
made pom-poms to use during basketball sea-
son. The members met once a month with the
cheerleaders to learn new yells and practice
the old ones.

Audio Visual Club

This year the Audio Visual Club was under the supervision of Mr. R. L. Hayden, principal. At an organizational meeting Ken Sneyd was elected president. The duties of an A.V. member are to check out equipment, show movies, disc jockey dances, record tapes, and set up the P.A. equipment for Student Council sponsored dances. The boys this year were mostly on their own, so they had to be responsible. Each hour there were one or two boys in B-102 who were in charge of the equipment. During the first hour Joseph Weaver was in charge, the second hour—Gerry Snyder, the third hour (after announcements) Ken Sneyd and Dennis Hoffman, the fourth hour — Joseph Weaver, Charlie Davis, and Pete Cordero, five — L-1 Ken Sneyd, five — L-2 Dennis Hoffman, the sixth hour — Gaylord Hill and Dan Schultz, the seventh hour — Ken Sneyd, and the eighth hour — Don Esterline and Gerry Snyder. As yet there were no female members in this club but any will be welcome in the future.

Hall Monitors

For the first time this year the new system of hall monitors was initiated in the high school. Each hour of the day, and during the lunch periods, four students sat at stations in the halls to keep students in classes and prevent needless wandering in the halls. The new system proved to be worthwhile and for this we thank each monitor for giving his study hall time for this purpose.

Varsity Football

Football practice sessions began two weeks before school started with "Maple conditioners", distance running, and a great deal of sprints and running drills for additional conditioning. In the first scrimmage against St. Johns of Jackson the Maples, flexing their football muscles, looked well and came out on top. Having good size and speed it looked as if the team were on the way to another fine football season.

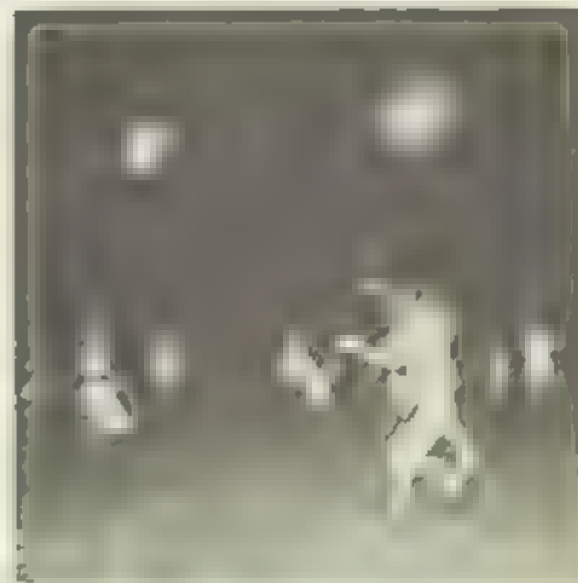

At the season's opener in Monroe, our boys battled all the way, only to be disappointed when Monroe scored with less than one minute to play; but the never say die graders kept fighting down to the 10 yard line, where the referee decided to pick up the ball and wipe it. Time ran out as he performed this task.

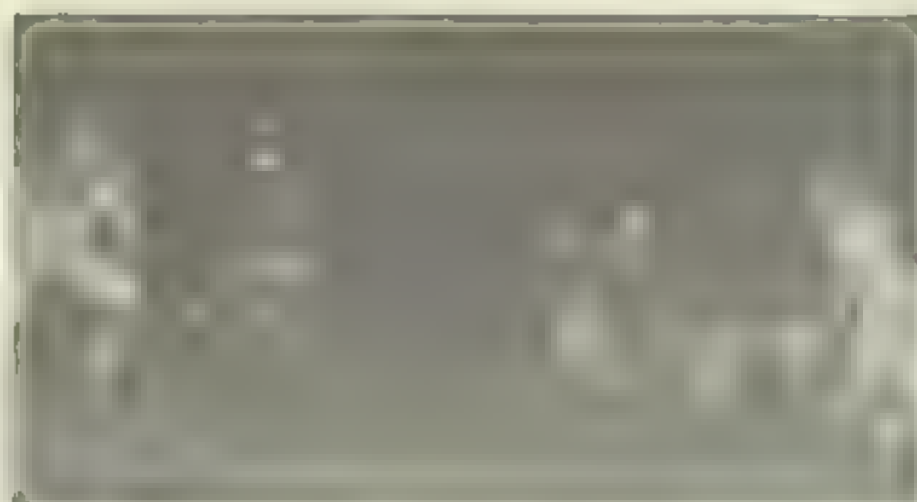

Later in the season injuries struck the maples like the plague, as key players were dropping like flies and replacements with any experience were hard to find. For the rest of the season this lack of experience was the key factor as the Maples continued to be pushed into the ground by Parkside, East Lansing, and Tecumseh.

Many underclassmen gained experience because of injuries to the regular players and should form a strong nucleus for next year's team.

Junior Varsity

Under the able coaching of Doug Brumbaugh and Howard Osterling the J.V. gridgers managed to end the season with a 4-3 record, having some real close losses.

A few outstanding players and hopeful prospects for next year's varsity include: Gil Salazar, Don Miller, Tom Davis, Dane Nelson, and Grant Rossman.

In his first year at Adrian Senior High, Mr. Brownell took over the position of coach of our Cross Country Team.

The record of 2 wins and 7 losses doesn't give a true picture of the achievements and goals our team has accomplished under the fine hand of Mr. Brownell.

Outstanding seniors were: Dave Harder, the leading scorer; Ray DeLeon, who was injured most of the year, but had the best time; and Don Hinsdale, a three year competitor.

For the juniors, Randy Balice was high scorer, followed by Dave Brown, and Bill Fox. John Hetherington a Sophomores also did a real fine job. Much is expected of these boys on our squad of 1966.

Varsity Basketball

The Maples, under the direction of Mr. Bill Gallagher, fared worse than was hoped for this year.

The employment of a new offense and defense took longer to develop than was expected and the Maples lagged behind their competition until late in the season. Slowly mastering the new offense, the boys began to look like a team as they met head on with the league leaders, Jackson Parkside, at Jackson. The Maples looked good but were downed in a hard-fought game 60 - 54, with Parkside scoring six points in the last twelve seconds.

After the Parkside game the Maples started to gain confidence, which was knocked out of them by East Lansing.

Determined to end the season with a win, the basketballers fought to a 65 - 53 win over Coldwater.

In the District Tournament, Adrian was without the services of Gary Krouse and was downed by Parkside 51 - 42 in what could have been anybody's game.

Things will be much better for next year's team as many of the regulars of this year's team will be returning. The only serious problem seems to be the lack of height.

Under the supervision of Mr. McNitt the J.V. cagers showed much hope for next years varsity team. Although their season was unsuccessful, the record shows many close games that could have gone either way. Their never tiring efforts and good sportsmanship showed the true spirit of Adrian High School. Hopeful prospects for next year's varsity include Henry Nieto, Dane Nelson, Tom Paulson, and Dean Frey.

The Maple grapplers fought to a 2 won - 2 loss South Central Conference record in dual meets, despite the loss of 145 # Tom DeSpain for most of the season due to a football injury.

The placing in the Conference meet was as follows: 95# Garry Cesario, 103# Ned Tucker, 120# Carl Littlefield, 133# Dennis Fox, 138# Jim Nelson, 145# Tom DeSpain, and 154# Mike Bull.

In the Regional Meet Steve Marshall placed fourth in the 165# division, Littlefield received a 3rd at 120#, DeSpain a 2nd at 145#, and Bull a 1st at 154#. Bull went on to the State Meet, but failed to place due to the flu.

The team was coached by Mr. DeSpain and his assistant Mr. Brumbaugh.

Carl Littlefield and Dennis Fox are to be the captains of next years squad, which will be brightened by the return of many letterman. It will, however, be extremely difficult to replace the loss of co-captains Mike Bull and Tom DeSpain.

Ye Ol' Doll-fin Shoppe was the theme for the pool show this year. Under the direction of Mrs. Ralph Davis, assisted by Mrs. Allen Brittain, this show proved to be one of the best shows presented.

Group numbers were elves, baby dolls, little red monkeys, calico kittens, clocks, mechanical men, and sailboats.

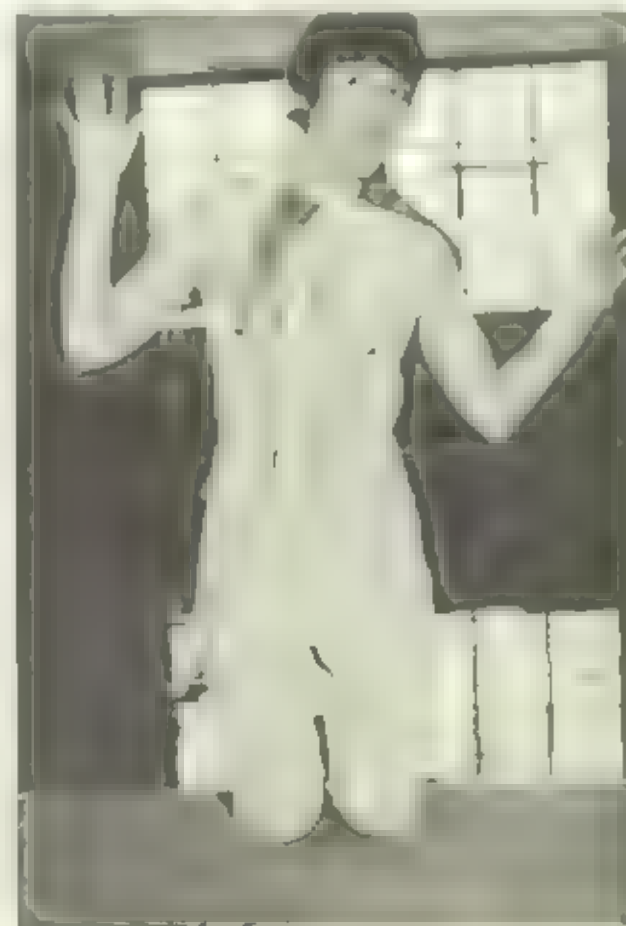

The specials featured Connie Beal as the Jack-in-the-Box and Judy Heffron as the Ballerina. Both girls presented beautiful solos. Jill Senac and Beth Copeland as Cow Girls and Martha Townsend

and Carolyn Duncan as China Dolls were both darling numbers. The trio, consisting of Patt Cochran, Rene Hiatt, and Connie Kidd, were the Clowns of the show. Teddy Bears were portrayed by Margie Faurote, Becky Freligh, Doris Fox, and Mary Pfister. Rounding out the numbers, the mixed quartet made up of Joyce Hazen, Margaret Stewart, Tom Harkness, and Mike McCombs proved once again the Doll-fins can put on some real fine shows.

Varsity 'A' Club

The chief function of the Varsity Club is to promote athletics and clean sportsmanship in Adrian High School.

The main project of the club was the selling of refreshments during the basketball tournaments held in Adrian. The money earned from this project was used to pay for the members' towel fees, the varsity emblem on their jackets and other worth while projects.

To be eligible for membership in the Varsity 'A' Club, a boy must have won a letter in Adrian High Varsity athletics and have taken part in no less than two sports during the school year. A boy wanting to be a member must submit a letter of application to the board of governors stating his reasons for desiring membership. The board of governors acts on each application. With the approval of the Board of Governors for membership the boy must go through an instruction process before becoming an official member. To remain a member he must continue to be a credit to the club and be of good character.

The election of the officers, the Board of Governors and the opportunity of serving on committees took place in the fall when a combined Varsity 'A' and G.A.A. club party was planned for the spring.

The Varsity 'A' Club is under the supervision of Mr. Nelson, our athletic director.

OFFICERS

Dunham, Heffron, Baughey, Fike

The Future Nurses' Club, under the leadership of Misses Leona Diehl and Ruth Sherman, has been very active again this year. In addition to its monthly business meeting, the club has taken a field trip, worked at Bixby Hospital, sold candy, helped at the polio vaccine stations, and heard a variety of interesting speakers. Through this club, the girls not only gain personal satisfaction, but have a chance to be of service to the community.

Working "Toward New Horizons" is the motto of the F.H.A. Club. This year the club worked on several projects that helped the members get a better understanding of personal, family, and community life now and in the future. The members went caroling at the Stephenson's Home for the Aged and at the Girl's Training School during the Christmas season. Mrs. Collier gave the members a beauty demonstration at the January meeting. The club's main project was the annual fashion show that was held in spring.

The club was under the leadership of Mrs. Mildred Kingon. To become a member a girl must have taken a semester of home economics. The meetings were held in the Home Economics' Lounge on the fourth Tuesday of each month.

Biology Club

This year the Biology Club was under the capable hands of Mr. Micheal Rybarczyk.

In order to be eligible to join this club one must have a "B" average in a biology course for one semester.

The members were kept busy by giving reports on any assigned subjects. These reports were given at each of the monthly meetings. Through the reports the students acquired a better understanding of the many biological subjects.

The main project that the club attempted was the selling of cookies, cupcakes, and fudge in the cafeteria section during lunch. The profit from this sale was used by the members for their trip to Chicago.

Ski Club

Under the new supervision of Mr. Brownell and Miss Kovanda, the ski club continued their lessons at Irish Hills Sport's Park to better their skiing ability.

This year the club enjoyed a trip up north to Caberfae, which offered thirty slopes to challenge our ambitious group. The skiers left Friday, peppy and gay, and returned Sunday evening, tired but still enthusiastic after a weekend of snow, fun, and laughter.

Mattis L., Harrington, Davis, Carter, Mattis D., Allen.

Amateur Radio Club

Any boy that is interested in amateur radio communications is eligible for membership in the Amateur Radio Club. Mr. Pullen was adviser of the club this past year. The members must also possess an amateur radio license or be enrolled in a program of study to fulfill such requirements. One half of the membership were licensed by the Federal Communications Commission to operate on amateur bands.

Members met every third Wednesday in the physics lab. The officers were all licensed amateurs.

Concert Band

The concert band under the direction of Mr. Robert Whitacre put on several concerts and assemblies throughout the year. These included the Christmas Concert and the "Pops" Music Assembly.

Members of the band entered the District Senior High Solo and Ensemble Festival received first division ratings. They also entered the State Senior High Solo and Ensemble Festival.

The band received a first division rating at the District Band and Orchestra Festival at Jackson in AA class division and then entered the State Festival. This is only the second year the band has participated in this division. The concert band also participated in the Public School Music Festival, and several members represented Adrian in the All County Band.

One of the major achievements for the band was the second annual Variety Show, which was a huge success.

To bid farewell to the Senior class the band played at Class Night and Commencement exercises.

Marching Band

The marching band, under the direction of Mr. Whitacre this year, performed at the home games during the half-time and pre-game activities. In preparation for these activities the band members began marching practice at the end of August and continued each Wednesday night for two hours throughout the football season. The highlight of the Football season was homecoming, in which the band participated by marching in the Homecoming Parade as well as at the game. The band traveled to Ann Arbor for the annual Band Day at the U. of M., and it also participated in several parades in Adrian for special occasions, such as the United Fund parade. It presented several music assemblies, added pep to pep assemblies, and played at all the home games. The Adrian High School Marching Band also performed at the County Marching Festival at Tecumseh.

The Choir, bedecked in their new navy blue robes, participated in a number of school activities. These included the Thanksgiving, Christmas, and Easter Assemblies, the winter concert, and the City Music Festival. The members served as a nucleus for the cast, chorus, and committees of our musical, "Carnival."

Choir

Front row - Neiple, Lake, Poe, Harwood, and Smith Second row - Teasdale, Cooper, Penick, Bariss, Alcock, and Kaledo.

Girls' Vocal Ensemble

The Girl's Vocal Ensemble membership is determined by competitive try-outs. The group meets regularly after school for rehearsals. It frequently furnished music for various community and civic functions and participated in several school assemblies and other programs.

“Carnival”

A former Broadway headliner became A.H.S.'s operetta success this year when we presented Bob Merrill's "Carnival." The dramatic parts were coached by Miss Levine, the music was directed by Mr. Rainier, and the orchestra was conducted by Miss Hardacre. The final product was one of which we were proud.

The cast was headed by Sherrie Smith, Dick Limbacher, Martha Smith, and Bob Ruesink. These four were ably supported by Jim Clark, Debbie Pellowe, Linda Sidenstecker, Dick Illenden, Allan Oyer, Elwood Robinson, and a large chorus.

Front row: DeLongchamp, Clark, Baker, Meyers, Lamley, McCombs, Graavbeek, Krohn, second row Kopke, Vere, Bull, Knight, Knoefel, Church, Ransom.

Senior Boys' Recreational Singing

The Senior Male Chorus was organized on an extra-curricular basis for the purpose of furnishing an opportunity for boys to participate rather informally in a musical activity. Thus, their program emphasized recreational singing instead of public performances.

"The Skin of Our Teeth"

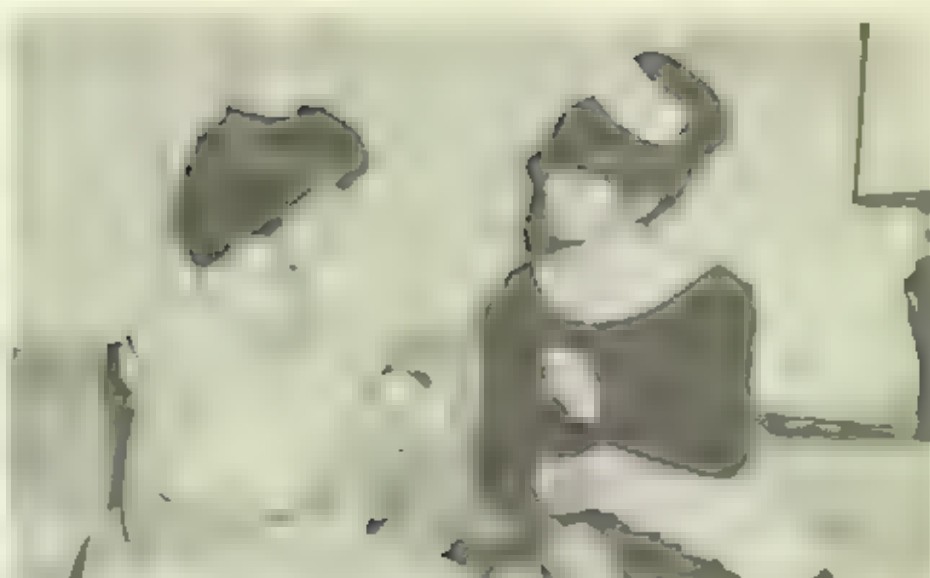

"The Skin of Our Teeth" is a comedy about George Antrobus, his wife and two children, and their general maid, Lily Sabina, all of Excelsior, New Jersey. George Antrobus is John Doe or everyman or you — the average American at grips with a destiny sometimes sour, sometimes sweet. The Antrobuses have survived fire, flood, pestilence, the seven year locusts, the ice age, the black pox and the double feature, a dozen wars and as many depressions. They have run many a gamut, are as durable as radiators, and look upon the future with a disarming optimism. Ultimately bewitched, befuddled and becalmed, they are the stuff of which heroes are made — heroes and buffoons. They are true offspring of Adam and Eve, victims of all the ills that flesh is heir to. They have survived a thousand calamities by the skin of their teeth, and Mr. Wilder's play is a tribute to their indestructibility.

"The Man Who Came to Dinner"

Sheridan Whiteside, having dined at the home of the Stanleys, slipped on their door-step, breaking his hip. A tumultuous six weeks of confinement followed. The Stanley living-room was monopolized by the irascible invalid, ex-convicts were invited to meals, and transatlantic calls brought a \$784 phone bill. The arrival of strange gifts from his friends further destroyed domestic tranquility.

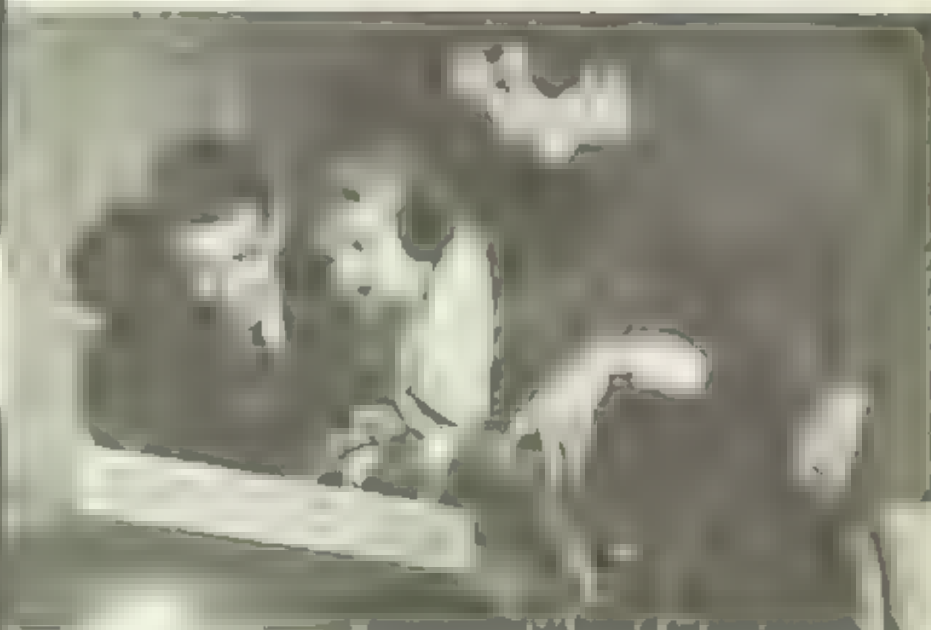

When Maggie, his secretary, fell in love with the reporter, Bert Jefferson, Whiteside summoned a glamorous actress, Lorraine, to win the affections of the young man. Knowing the girl's charms, Maggie enlisted the aid of a clever impersonator who, affecting the voice of Lord Bottomley, whom the actress hoped to marry, asked her by phone to return to him and be married. The ruse almost worked, but Whiteside, becoming suspicious, found that no calls had come through from London. In revenge, Lorraine suggested a three-week rewrite on a play of Bert's in which she feigned great interest. Lake Placid was to furnish the quiet for his inspiration, and she was to be his collaborator. The unexpected arrival of a mummy case, just as the relenting Whiteside was frantically seeking to get rid of Lorraine, furnished a malicious idea. Tricking her into stepping into the case, he shut the lid and blackmailed his host into having the case carried to the airport, preparatory to a round-the-world cruise. Whiteside departed from the Stanley's home triumphantly, but a second later a crash was heard — he had again slipped and fallen!

"Oh, my! You mustn't eat candy, Mr. Whiteside. It's very bad for you."

"Aha! Periplaneta Americana! Commonly known as the American Cockroach. With these earphones you can listen to their every move."

"Mr. Whiteside, mind if I take a picture of you?"
 "Not at all, Richard. Do you want my profile?"

"Father, haven't we had enough melodrama? I don't have to be taken upstairs — I'll go upstairs... Merry Christmas, Mr. Whiteside. Come on, Mother — lock me in my room."

"It's only a trifle, but I wanted you to have it. It's a picture of me as I used to be. I was twenty-two when it was taken. Do you really like it?"

Thespians

The Thesplan Club members are granted membership for having performed meritorious work in dramatic arts, and meeting the membership qualifications and standards of their respective troops. These memberships are acquired by taking part in the drama productions throughout the year, from major roles to committees. Members are informed in the techniques and the elements of the stage by attending professional and college productions. The members who continue in the fine arts after graduation find the Thespians very beneficial.

Machine Shop

Machine Shop 1-2 stresses the principles and construction of machine tools, care and operation of hand tools, precision tools, and the more common modern tool room machines and equipment. Manufacturers' handbooks and reference tables are used in figuring computations required for cutting threads, turning tapers, figuring speeds and feeds, indexing, checking angles, and other operations. Safety measures are emphasized at all times.

Machine Shop 3-4 is a continuation of the beginning course, and advanced machine work and design is stressed. In this course a survey is made of the latest automation techniques as applied in manufacturing and metal working processes.

Metal Shop 1-2 is a two hour course designed to give the student a basic understanding of the various metal trades and an opportunity to develop skill in the practical use of hand tools, machine tools, and other equipment. The five units in this course are Bench metal, Sheet metal, Foundry, Forge and Heat-treat, and Welding. A textbook is used in the class work to provide the technological information to go along with the practical.

Auto Shop

Auto Shop 1-2 is a study of automotive theory of the total automobile. Two hours weekly of classroom work and three hours weekly of laboratory experience balance theory and practice. Groups of three to four boys spend six weeks in four different units of study: tune-up, lubrication, engine, and light mechanics. Class work consists of text material discussions, demonstrations, and testing. It is valuable for any one desiring to acquire more knowledge of the mechanics of the automobile.

Auto Shop 3-4 is a study of scientific tune-up, basic engine over-haul, transmission work, body repair and painting, lubrication, cleanup, and light mechanics. Every effort is made to operate as an automotive service repair shop.
